

## The Villages Course Access Pass (CAP) policy

Course Access Pass cards will be issued only to those individuals who have a state certified disabled parking permit. A valid handicap placard, along with a driver's license and registration will need to be presented to the Golf Administration offices to obtain or renew a CAP Card.

Expiration date of the handicap placard will be the expiration date on the CAP Card.

CAP Tags must be prominently displayed on your golf car while playing any Villages' golf course. CAP tags may be obtained in 1 of 2 ways;

1. An "annual" CAP tag is available for purchase at any Country Club golf shop and at the Golf and Country Club Administration offices. These annual CAP tags are valid for the calendar year in which it was purchased or until the accompanying CAP card expires.
2. "Daily" CAP tags are available at both country club and executive golf course starter buildings at no charge. These daily use tags are only available to golfers holding a valid CAP card. The starter will hold the CAP card until the CAP tag is returned following the completion of the round.
