ARE YOU DOING YOUR PART?

GOLFERS play a large part in determining the condition of the golf course. Please practice Good Golf to make your play even more enjoyable and to keep your hometown golf course in tip-top shape.

— GOLF CAR PARKING —

It is important to keep all 4 golf car tires on the path, especially around the tees and greens. If a car is parked by a tee box with two tires on the path and two on the grass, it can contribute to worn spots and ruts.
