

Resident Only Courses

Effective May 1st, Silver Lake, Mira Mesa, & De La Vista, previously open only to residents, will now be open to residents and their guest.

This change was presented to and approved by the Amenity Authority Council (AAC) during their March meeting. The change was requested to District Management and Golf Management via the Executive Golf Advisory Group (EGAG).

Golf Management supported this change, along with the residents' request, due to changes in the tee time system in 2007 providing first access to residents over guest.
