

Twilight Golf

2010

Due to its overwhelming success, Twilight Golf has returned in 2010! Twilight Golf will be offered June 1st through August 31st between 5:00PM and 6:00PM at all The Villages Country Clubs! During this time, greens fees for Village residents and their guest will be only \$6 (tax inclusive) for unlimited play the remainder of the day! Additionally this year, we have added these times into the Tee Time system allowing you to reserve your times as normal, rather than calling the individual golf shops in a first come first serve manner. We anticipate this being a welcomed addition by our residents, assisting you in obtaining these popular tee times. Of course, as always you may call the course on the day of play. Either way, come on out and enjoy an evening on the golf course!

Twilight Golf is not eligible for rain checks.
