**Where Juniors Grow and Golfers Begin**

Since opening in May 2016, **The Villages Junior Golf Academy (TVJGA)** has proudly welcomed over 500 junior golfers into our growing community with an active roster of around 100 golfers.

Rooted in a passion for the game and a commitment to youth development, our program blends nationally recognized instruction with a supportive, structured environment. Led by a dedicated team of coaches, we continue to elevate our comprehensive approach, helping each young golfer grow in skill, confidence, and love for the game.

**Curriculum with Purpose**

Our curriculum is built on the foundation of the **U.S. Kids Golf Learning Program**, providing a nationally recognized starting point for skill development. From there, our coaching evolves to meet the needs of each individual student - ensuring that every junior receives personalized instruction tailored to their growth.

At The Villages Junior Golf Academy, we believe that **fun fuels progress**, and we strive to make every lesson engaging, exciting, and enriching.

As juniors advance, they'll also have the opportunity to participate in **U.S. Kids Golf tournaments** and the **Claret Junior Tournament** at the local, regional, and even national levels, helping them take their game to the next stage with confidence and community support.
