Executive

Accomplishments: Hole in One, Eagles

Golfers should visit the starter building and let the Starter know about your hole in one. The Starter will provide a "Hole in One" form and assist you in filling out the accomplishment. The Starter will then keep this form for further processing.

A Hole In One Certificate will be printed and signed by a Golf Professional and you will receive a call to pick up your certificate at the respective Golf Shop. Golf Shops also have information for "Special Order" items, such as plaques and awards.

Championship

Accomplishments: Hole in One, Albatross, Eagle and Shoot Your Age

These forms are available at both the Starter buildings and Golf Shops. Please notify the golf staff after your round. Golf staff will process the form once it's completed.

A Hole In One Certificate will be printed and signed by a Golf Professional and you will receive a call to pick up your certificate at the respective Golf Shop. Golf Shops also have information for "Special Order" items, such as plaques and awards

Accomplishments are usually printed in the Daily Sun every Tuesday. The printing schedule may change depending on special exceptions on holiday weeks or short weeks.

This PDF contains a copy all the current entry forms for you to record and track your accomplishments. If you need one, just fill it out and drop off to the nearest Championship course. The last page has a helpful listing of all courses.
