

You are invited to join The Villages Community Golf Handicap Committee!

The Villages Community Golf Handicap Committee consists of 31 full-time residents of The Villages, Florida. These individuals are dedicated to making the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis.

For organizational purposes, committee members are broken up into two regions reporting to a region representative serving as a Vice-Chair to facilitate that region's meetings.

A Chairperson, 2 Regional Vice-Chairs, Compliance Officer, Secretary, and a non-voting Member of The Villages Golf and Country Club Administration make up The Villages Golf Handicap Executive Committee. It is the Executive Committee which acts upon recommendations from committee representatives through their Vice-Chair.
